## Preface

At the beginning of this work, I would like to thank several people whose assistance has been crucial to the publications of these reports: Carolyn O. Riley, who typed the manuscript; Rebecca Campbell Cape of the Lilly Library, who assisted with manuscript problems; Dean John R. Pagan, who encouraged the completion of this book; and the Richmond, Virginia, law firm of Hunton and Williams, whose generosity provided a summer research grant that allowed me to consult the manuscripts in England. Sincere thanks are also due to Guy Holborn, librarian of Lincoln's Inn and his assistants and to the librarians and staff of the manuscripts department of the British Library.
