We dedicate this book and all its proceeds to the families of homicide
victims and the victims' advocates who support them.

“I can remember when I was young I believed death to be a phenomenon of the body; now I know it to be merely a function of the mind—and that of the minds of the ones who suffer the bereavement.”

—William Faulkner, *As I Lay Dying* (1930)

CONTENTS

Introduction		
<i>James R. Acker and David R. Karp</i>		3
