15.6	Motions and Stipulations	366
15.7	Suggested Strategies	368
	Suggested Timeframe	369
15.8	Summary	369
	Index	371

Acknowledgments

I would like to thank all of the students who inspired me to encourage them to reach beyond their limitations and think about learning Criminal Law from a new perspective. I am so grateful to William (Pat) Hussey who served as a teaching assistant for many years and who contributed the hypothetical fact-patterns that used throughout this book. I am so blessed by my husband who supports me in my many diverse endeavors and who recognizes the gifts we have together.
