Acknowledgments

First, I want to thank my friends and colleagues who have helped me with this project: Robert M. Jarvis, for giving me the push, and confidence, to think I could actually produce this book, in addition to much valuable advice during the creation and revision of the manuscript, Gail Richmond for all her technical help, and Johnny C. Burris for his encouragement and suggestions. Thanks also to Mark Coady for his support and understanding.

Second, Tim Colton at Carolina Academic Press always deserves special mention for being available to help whenever I need him.

Finally, Lyle Long provided invaluable assistance for the second year in a row.

Preface

This book, which contains selected Florida constitutional provisions and statutes, in addition to federal legislation, can be used as a supplement to all domestic relations casebooks. By using this publication, students will learn current Florida law while they sharpen their ability to read and interpret statutes.

The publication also provides practitioners with a handy desktop research tool.

Department refers to the Department of Children and Families unless otherwise specified.
