Acknowledgments

JFW would like to thank Kenneth P. Brockman (Georgia State Law Class of 2013) for his valuable assistance in the careful research and painstaking review of those chapters he wrote. JFW would further like to thank his family and friends for putting up with him, or more often, his empty chair at home and events, as he worked on this and related projects. Thank you all for your kindness, thoughtfulness, and patience.

BET is grateful for the fine help provided by Georgia State College of Law students Reid Peacock (class of 2013) and Joseph H. Saul (class of 2015), and the consistently excellent work of my assistant, Christine Nwakamma. I also greatly appreciate the love and support of my family — Susan, Adam, Ben, and Callan.
