# PREFACE

---

As experienced tax professors, we know that students encountering the complexities of the tax code for the first time are often frustrated by its difficulties and look to their casebooks or to supplemental material for an adequate overview of the principles and policies underlying federal income tax law and for a detailed explanation of the interpretation and application of pertinent provisions of the Internal Revenue Code. Thus, such overviews and explanations have been principal features of the authors' casebook, *Taxation of Individual Income*. This book in turn adapts material from *Taxation of Individual Income* for those students using other casebooks who seek such supplemental material to assist them in their study. We have specifically designed this book to supplement other casebooks used in traditional courses in federal individual income taxation.

This book consists of forty-four chapters with each chapter addressing a basic topic in individual income taxation, e.g., the taxation of personal injury awards, the interest deduction, installment sales. Because the provisions of the Internal Revenue Code are necessarily at the heart of tax study, we have included in each chapter a part or all of the Code section(s) pertinent to the specific topic. Likewise, the chapters contain summaries of leading cases and relevant administrative rulings as well as numerous examples explaining the application of the law

For students in law schools or business programs, we suggest that, before turning to this book, students first read the cases and other materials assigned by their professors. With that reading as background, students should then read the corresponding materials in this book to acquire a broader overview of the area including the development of the law related to a specific topic.

While this book is designed primarily for students, we recognize that it may also prove valuable to the general practitioner. Before representing a client in a divorce or some property transaction, the attorney may be well advised to read the chapter(s) relevant to the representation. Not only will this book provide the attorney with helpful overviews of the tax law related to a client matter, it will also serve as a tool for locating cases and other relevant authority.

In sum, we have written this book as a basic guide for students studying the tax law for the first time and for general practitioners handling transactions with an individual income tax dimension. A word of caution: neither this guide nor any casebook or supplemental material should be viewed as a substitute for careful reading of the Internal Revenue Code. Lawyers and accountants must ultimately base their decisions on the Code and the judicial and administrative interpretations of the Code. Our hope is that this book will aid in the study of the Code and the application of its provisions.

# *ACKNOWLEDGMENTS*

---

We are indebted to a number of people for their assistance in the development of this book. We have benefitted greatly from the comments and suggestions by our colleagues and our students at the University of Montana School of Law and the University of Florida College of Law, and we wish to acknowledge their help and that of our tax colleagues at other schools. We are also indebted to Linda Kirby of the University of Florida College of Law. Her assistance and support in the preparation of this manuscript were indispensable, and for that we are most grateful and appreciative.

# TABLE OF CONTENTS

<b>Chapter 1</b>	<b>INTRODUCTION TO FEDERAL INCOME TAX . . . . .</b>	<b>1</b>
§ 1.01	A BRIEF HISTORY OF FEDERAL INCOME TAX . . . . .	1
§ 1.02	RESOLUTION OF TAX ISSUES THROUGH THE JUDICIAL PROCESS . . . . .	2
[A]	Trial Courts . . . . .	2
[1]	The Tax Court . . . . .	3
[2]	Federal District Courts . . . . .	3
[3]	The United States Court of Federal Claims . . . . .	3
[B]	Appellate Courts . . . . .	4
[C]	Selection of Forum . . . . .	4
§ 1.03	COMPUTATION OF TAX LIABILITY . . . . .	5
[A]	Basic Questions Addressed by an Income Tax System . . . . .	5
[B]	Evaluating Tax Liability . . . . .	5
[1]	Gross Income . . . . .	6
[2]	The Concept of Adjusted Gross Income . . . . .	7
[3]	Deductions . . . . .	9
[4]	Calculating Adjusted Gross Income . . . . .	11
[5]	Taxable Income . . . . .	11
[a]	Itemize or Elect Standard Deduction . . . . .	11
[b]	Section 67: The 2% Floor on Miscellaneous Itemized Deductions . . . . .	12
[c]	The Section 68 Overall Limitation on Itemized Deductions . . . . .	12
[d]	Personal Exemptions . . . . .	13
[e]	Calculating Taxable Income . . . . .	14
[6]	Tax Rates . . . . .	14
[7]	Credits . . . . .	15
§ 1.04	CONCLUSION . . . . .	15
<b>Chapter 2</b>	<b>GROSS INCOME CONCEPTS AND LIMITATIONS . . . . .</b>	<b>17</b>
§ 2.01	THE SEARCH FOR A DEFINITION OF INCOME . . . . .	17
§ 2.02	INCOME REALIZED IN ANY FORM . . . . .	20
§ 2.03	REALIZATION, IMPUTED INCOME AND BARGAIN PURCHASES . . . . .	21
[A]	The Realization Requirement . . . . .	22
[B]	Imputed Income . . . . .	24
[C]	Bargain Purchases . . . . .	27
