Jeremiah Doyle 2019

It is always extremely gratifying when one's teaching, speaking and writing are appreciated by students and professional audiences. What contributes significantly to this work are the understanding and sacrifices of time made by our families.

I want to thank my wife Jane, children Lori and Dana, sons-in-law Jared and Bret and grandchildren Sophie, Nessa, Samantha and Archie for their love and support. Knowing you are with me makes all of the effort worthwhile.

Steven Siegel 2019
