Preface to the Fourth Edition

This 2020 edition is primarily an update of the prior editions. I have added minor theft crimes to the book. The bulk of the book can still be completed in forty two hours and the entire book can be completed in fifty hours, although those with the luxury of a four (fifty-six) hour course should find plenty of material to keep you busy.

I was assisted in preparing this book by my research assistant Elliott O'Day and with the support of the Texas Tech School of Law, for which I am most grateful.
