*In Memoriam: Kelly Cheeseman*

*Dr. Kelly Cheeseman will be fondly remembered as an energetic champion of criminal justice. Kelly was devoted to her discipline and her students. She was a talented classroom instructor, avid researcher and faithful colleague. She was always sensitive to the bridge between the academy and the profession and sought to find the appropriate balance between the two in her research, teaching and service. Kelly is missed dearly among those of us who were fortunate enough to work with her. This book was one of her cherished projects, and we are honored to continue with a new edition in her memory.*

# Contents

Acknowledgments	xv
<b>1 · An Introduction to Everyday Ethics in Criminal Justice</b>	<b>3</b>
Introduction	3
What Is Ethics?	7
References	17

# Acknowledgments

Claudia San Miguel would like to thank her family and loved ones for all of their support over the years.

Durant Frantzen would like to thank his wife, Lana Frantzen, and his two sons — Cole and Chad — for giving him the inspiration, love, and fortitude to achieve his goals.

Lisa S. Nored would like to thank her co-authors for their hard work and the opportunity to collaborate on this project with such talented scholars. She would also like to thank her husband, Deron, and her children, Hunter, Holden, Hayden, and Hayes for their continued patience and support.
