Contents

List of Tables and Figures	xv
Foreword to the First Edition	xix
Preface and Acknowledgments to the Third Edition	xxi
Series Note	xxiii
Chapter 1 · Process of Legal Research and Analysis	3
I. Sources of Law	4
A. Branches of Government	4
B. Whose Law Applies?	5
1. Binding versus Persuasive Authority	5
2. Primary versus Secondary Sources	6
II. Search Strategies	7
A. Develop a Research Plan	7
1. Determine the Issue	7
2. Identify the Facts	8
3. Generate Search Terms	8
4. Determine the Jurisdiction	9
5. Recognize Timeliness	10
B. Select the Best Resource for the Search	10
1. Where to Begin	10
2. Putting Your Plan into Practice	11
3. Print versus Online	12
a. Freely Available Resources	14
b. Subscription Databases	14
Chapter 2 · Basics of Online Searching	17
I. Find by Citation	17
II. Keyword Searching	18

III. Terms and Connectors and Advanced Search Functions	19
IV. Table of Contents Searching	22
V. Navigating Search Results	24
VI. Google and Google Scholar	24
VII. Training Opportunities	24
Chapter 3 · Secondary Sources	25
I. Encyclopedias	26
II. Legal Books	28
III. Legal Periodicals	29
A. Law Reviews	29
B. Bar Journals and Legal Newspapers	30
C. Researching Legal Periodicals	30
IV. <i>American Law Reports</i>	31
V. Restatements of the Law	33
VI. Selecting a Secondary Source	36
VII. Wyoming-Specific Secondary Sources	37
VIII. Process of Secondary Source Research	38
Chapter 4 · Constitutions	39
I. Wyoming Constitution	39
A. History of the Wyoming Constitution	40
B. Researching Wyoming Constitutional History	41
C. Structure of the Wyoming Constitution	41
D. Amending the Wyoming Constitution	41
E. Wyoming Constitution Research Strategy	42
1. Print Research Strategy	42
2. Online Research Strategy	43
3. Case Annotations in the Wyoming Constitution	43
4. Researching the Wyoming Constitution in Secondary Sources	44
II. U.S. Constitution	44
A. Sources of the Text	45
B. U.S. Constitution Research Strategy	45
Chapter 5 · Statutes	47
I. Codes and Statutes	47
II. Wyoming Legislature	48

III. Wyoming Legislative Process	49
IV. Wyoming Statutes	50
A. <i>Wyoming Statutes Annotated</i>	50
B. <i>West's Wyoming Statutes Annotated</i>	50
C. Researching Wyoming Statutes in Print	51
1. Finding a Statute by Citation	51
2. Finding a Statute by Subject	51
3. Elements of a Statute	52
a. Citation and Text	52
b. Historical Citations	52
c. Annotations	55
4. Reading Statutes	56
5. Updating Wyoming Statutes	56
D. Researching Statutes Online	56
1. Finding a Wyoming Statute by Citation	57
2. Finding a Statute by Subject	57
3. Finding a Statute Using the Table of Contents and Index	58
4. <i>Wyoming Statutes Annotated</i> and the Legislative Service Office	58
E. Viewing Case Annotations in the Online Tools	58
F. Currency	59
G. Citators	59
H. Researching Other States' Statutes	59
1. Research Process	59
2. Fifty-State Surveys	61
I. Uniform Laws and Model Codes	61
V. Federal Statutes	61
A. <i>United States Statutes at Large</i>	62
B. <i>United States Code</i>	62
C. <i>United States Code Annotated</i> and <i>United States Code Service</i>	63
D. Updating Federal Statutes	63
E. Access to Federal Statutes Online	64
VI. Court Rules	65
VII. Local Government Law	66

A. Municipal Ordinances	66
B. County Regulations	67
Chapter 6 · Citators	69
I. Why Use Citators?	70
II. KeyCite and Shepard's	70
III. Citing Statutes	71
A. Shepard's on Lexis	71
1. Access the Citator	71
2. Shepard's Report	71
3. Prioritize and Read the Citing References	72
B. KeyCite on Westlaw	74
1. Access the Citator	74
2. KeyCite Report	74
3. Prioritize and Read the Citing References	75
C. General Tips	76
IV. Updating Other Authorities	78
Chapter 7 · Court System and Case Law	79
I. Wyoming State Court System	80
II. Wyoming Federal Court System	81
III. Case Law Publications	83
A. The National Reporter System	83
1. Components of a Reported Case	85
2. Finding Tools	86
3. Advance Sheets	87
B. Other Resources for Wyoming Case Law	87
C. Unpublished Cases	87
IV. Retrieving a Case by Citation in Print and Online	88
A. Reporter Citation Format	88
B. Neutral Citation Format	89
V. The Digest System in Print	90
A. Headnotes, Topics, and Key Numbers	92
B. Subject Searching	93
1. Identify Research Terms	94
2. Search the Terms within the Descriptive-Word Index to Locate Topics and Key Numbers	95

3. Locate the Topics and Key Numbers within the Topic Volumes of the Digest	96
4. Review the Headnotes Listed under Each Topic and Key Number and Collect Case Citations	97
5. Review the Topic Table of Contents for Additional Key Number Leads	97
6. Check the Pocket Parts for All the Topic Volumes You Used to Find More Current Cases	97
C. Moving into Other Jurisdictions' Case Law	98
D. Starting with a Relevant Case	99
E. Words and Phrases	99
F. Table of Cases	99
VI. Online Case Law Searching in Lexis and Westlaw	99
A. Find by Party Name	100
B. Subject Searching	100
1. Lexis	101
2. Westlaw	101
C. Starting with a Relevant Case	102

Foreword to the First Edition

Michael Golden

Justice (Ret.), Wyoming Supreme Court

As one whose initial formal legal education occurred in the mid-1960s when legal research instruction was in the stone age in comparison to today's technologically rich environment, I am most grateful to these accomplished authors for making the instructional resources within these pages available to such a wide audience. I wish it had been available to those of my generation, but the good news is that my generation and the more recent ones may now benefit immeasurably from it.

I believe *Wyoming Legal Research* is a “must have” resource that should be in the library or on the desk of every judicial officer, lawyer, paralegal, law student, or informed citizen in Wyoming who needs a ready, reliable, and comprehensive guide for thoroughly investigating any legal issue.

The most valuable research tools are all here in one easy-to-use volume: from the first chapter on the process of research and analysis; through the middle chapters covering both the older and new commercial electronic databases of Lexis and Westlaw; on to the chapters covering the numerous secondary “explanatory” sources and the precedential primary authority sources (decisional, constitutional, and statutory) and citators; and concluding with the much-needed and long-overdue chapter on the legislative process and legislative history research. Interspersed within each chapter are visually arresting explanatory figures, tables, and examples that will readily assist the researcher in any given project.

Co-authors Debora A. Person, administrative law librarian, and Tawnya K. Plumb, electronic services law librarian, both of whom teach legal research to first-year law students, are eminently qualified to provide this

valuable instructional resource. Each has authored helpful articles and delivered interesting presentations in the legal research field that are available online in their respective faculty profiles on the University of Wyoming College of Law web site. I commend those materials to all.

With this publication the authors have made a valuable and lasting contribution to the continuing study and development of Wyoming law. I congratulate them on a labor well done.

Preface and Acknowledgments to the Third Edition

The intent of this book is to instruct in Wyoming legal resources. The book covers the initial stages of research, such as setting up the issue and approaching the variety of materials that are available. It would be appropriate for law students at an introductory level, paralegal students, and members of the general public seeking to investigate their own legal problems. At the same time, the book will benefit experienced legal practitioners because it incorporates search techniques in the major legal databases, discusses free internet sources, and explains how to access lesser-used tools in the research process.

In Wyoming, the lack of certain expected tools can be frustrating for legal professionals. There is no state encyclopedia or form book. There are only limited state-specific treatises. As a low-population state, Wyoming's case law is not extensive, and researchers from out of state have expressed surprise at the brevity of the state statutes. Our response is usually an attempt to emphasize the benefit of working in a legal system where attorneys have so much opportunity to affect the state's law. Still, in instances such as these, it serves researchers well to know what does not exist so that they can focus their attention on what is available. We hope this information is an added value of this text.

We have collaborated on a number of publications over the years, and we feel especially lucky to have an excellent working relationship. It was a great pleasure, then, to realize a similar rapport in working with the series' editor, Suzanne Rowe, in the first and second editions. Her direction, suggestions, editing, and support throughout the process were extremely

important to the finished product and very appreciated by the authors. We acknowledge her further substantive contribution in providing us with the text of the legal citation appendix from her book, *Oregon Legal Research*, 3d edition. We would also like to recognize our student research assistant, Leora Hoshall, for her extensive work on the first edition. These contributions significantly improved the final work. Finally, we are grateful to Tenielle Fordyce-Ruff for her work as editor on our 3d edition text.

We extend our thanks to the University of Wyoming College of Law and the George W. Hopper Law Library for support of our project. Finally, we thank our families for their encouragement and patience.

Deb Person

Tawnya Plumb

Series Note

The Legal Research Series published by Carolina Academic Press includes titles from most states around the country. The goal of each book is to provide law students, practitioners, paralegals, college students, and laypeople with the essential elements of legal research in each state. Unlike more bibliographic texts, the Legal Research Series books seek to explain concisely both the sources of state law research and the process for conducting legal research effectively.
