Acknowledgments

Thank you to my wife, Amy, my children, Derek, Amanda, and Heather, my daughter-in-law, Beret, my parents, Myron and Marion, and my in-laws, Paul and Sandra. Without their support, attainment of my goals would have remained distant dreams.

JAY SOLED 2023

For my mom and dad, my wife, JoDee, and my sons, Will and Cam.

JEREMIAH DOYLE 2023

It is always extremely gratifying when one's teaching, speaking and writing are appreciated by students and professional audiences. What contributes significantly to this work are the understanding and sacrifices of time made by our families.

I want to thank my wife Jane, children Lori and Dana, sons-in-law Jared and Bret and grandchildren Sophie, Nessa, Samantha, and Archie for their love and support. Knowing you are with me makes all of the effort worthwhile.

STEVEN SIEGEL 2023

Thank you to my family and mentors for all their support along the way and to my colleague, Kyle Durante, for his valuable input with the chapter on foreign trusts.
