Contents

List of Tables and Figures	xv
Series Note	xix
Foreword to the First Edition	xxi
Preface and Acknowledgments to the Second Edition	xxiii
Chapter 1 · Process of Legal Research and Analysis	3
I. Sources of Law	4
A. Branches of Government	4
B. Whose Law Applies?	4
1. Binding versus Persuasive Authority	5
2. Primary versus Secondary Sources	6
II. Search Strategies	6
A. Develop a Research Plan	6
1. Determine the Issue	7
2. Identify the Facts	7
3. Generate Search Terms	8
4. Determine the Jurisdiction	8
5. Recognize Timeliness	9
B. Select the Best Resource for the Search	9
1. Where to Begin	9
2. Putting Your Plan into Practice	10
3. Print versus Online	11
a. Freely Available Resources	12
b. Subscription Databases	13
Chapter 2 · Basics of Online Searching	15
I. Find by Citation	15
II. Keyword Searching	16

III. Terms and Connectors and Advanced Search Functions	17
IV. Table of Contents Searching	19
V. Navigating Search Results	21
VI. Google and Google Scholar	22
VII. Training Opportunities	23
Chapter 3 · Secondary Sources	25
I. Encyclopedias	26
II. Legal Books	28
III. Legal Periodicals	29
A. Law Reviews	29
B. Bar Journals and Legal Newspapers	30
C. Researching Legal Periodicals	30
IV. <i>American Law Reports</i>	31
V. Restatements of the Law	32
VI. Selecting a Secondary Source	36
VII. Wyoming-Specific Secondary Sources	36
Chapter 4 · Court System and Case Law	39
I. Wyoming State Court System	40
II. Wyoming Federal Court System	40
III. Case Law Publications	42
A. The National Reporter System	43
1. Components of a Reported Case	45
2. Finding Tools	46
3. Advance Sheets	46
B. Other Resources for Wyoming Case Law	46
C. Unpublished Cases	46
IV. Retrieving a Case by Citation in Print and Online	47
A. Reporter Citation Format	47
B. Neutral Citation Format	48

V. The Digest System in Print	48
A. Headnotes, Topics, and Key Numbers	49
B. Subject Searching	52
1. Identify Research Terms	52
2. Search the Terms within the Descriptive-Word Index to Locate Topics and Key Numbers	52
3. Check the Pocket Parts of the Descriptive-Word Index for Additional Topics and Key Numbers	53
4. Locate the Topics and Key Numbers within the Topic Volumes of the Digest	54
5. Review the Headnotes Listed under Each Topic and Key Number and Collect Case Citations	55
6. Review the Topic Table of Contents for Additional Key Number Leads	55
7. Check the Pocket Parts for All the Topic Volumes You Used to Find More Current Cases	56
C. Moving into Other Jurisdictions' Case Law	57
D. Starting with a Relevant Case	57
E. Words and Phrases	57
F. Table of Cases	57
VI. Online Case Law Searching in Lexis and Westlaw	57
A. Find by Party Name	58
B. Subject Searching	58
1. Lexis	58
2. Westlaw	59
C. Starting with a Relevant Case	60
D. Words and Phrases Searching	60
VII. Other Case Law Research Tools	60
VIII. Case Law Processes Reviewed	62
Chapter 5 · Citators	63
I. Benefits of Citators	63
II. Citing Online	64
A. Shepard's on Lexis	65
1. Access the Citator	65
2. Interpret the Treatment Symbols	66

3. Limit the Citator Report	68
4. Prioritize and Read the Citing References	68
B. KeyCite on Westlaw	69
1. Access the Citator	69
2. Interpret the Treatment Symbols	69
3. Limit the Citator Report	71
4. Prioritize and Read the Citing References	71
C. “Alert” Features in Shepard’s and KeyCite	72
III. Updating Other Authorities	72
Chapter 6 · Constitutions	73
I. Wyoming Constitution	73
A. History of the Wyoming Constitution	73
B. Researching Wyoming Constitutional History	74
C. Structure of the Wyoming Constitution	75
D. Amending the Wyoming Constitution	75
E. Wyoming Constitution Research Strategy	76
1. Print Research Strategy	77
2. Online Research Strategy	77
3. Case Annotations in the Wyoming Constitution	77
4. Researching the Wyoming Constitution in Secondary Sources	78
II. U.S. Constitution	79
A. Sources of the Text	79
B. U.S. Constitution Research Strategy	79
Chapter 7 · Statutes	81
I. Wyoming Legislature	81
II. Wyoming Legislative Process	82
III. Wyoming Statutes	82
A. <i>Wyoming Statutes Annotated</i>	83
B. <i>West’s Wyoming Statutes Annotated</i>	83
C. Researching Wyoming Statutes in Print	83
1. Finding a Statute by Citation	84
2. Finding a Statute by Subject	84
3. Elements of a Statute	84
a. Citation and Text	84

b. Historical Citations	84
c. Annotations	86
4. Reading Statutes	88
5. Updating Wyoming Statutes	88
D. Researching Statutes Online	89
1. Finding a Wyoming Statute by Citation	89
2. Finding a Statute by Subject	89
3. Finding a Statute Using the Table of Contents and Index	90
4. Wyoming Statutes Annotated and the Legislative Service Office	90
E. Viewing Case Annotations in the Online Tools	90
F. Currency	91
G. Citing Statutes	91

Series Note

The Legal Research Series published by Carolina Academic Press includes titles from states around the country as well as a separate text on federal legal research. The goal of each book is to provide law students, practitioners, paralegals, college students, laypeople, and librarians with the essential elements of legal research in each jurisdiction. Unlike more bibliographic texts, the Legal Research Series books seek to explain concisely both the sources of state law research and the process for conducting legal research effectively.

Foreword to the First Edition

Michael Golden

Justice (Ret.), Wyoming Supreme Court

As one whose initial formal legal education occurred in the mid-1960s when legal research instruction was in the stone-age in comparison to today's technologically rich environment, I am most grateful to these accomplished authors for making the instructional resources within these pages available to such a wide audience. I wish it had been available to those of my generation, but the good news is that my generation and the more recent ones may now benefit immeasurably from it.

I believe *Wyoming Legal Research* is a “must have” resource that should be in the library or on the desk of every judicial officer, lawyer, paralegal, law student, or informed citizen in Wyoming who needs a ready, reliable, and comprehensive guide for thoroughly investigating any legal issue.

The most valuable research tools are all here in one easy-to-use volume: from the first chapter on the process of research and analysis; through the middle chapters covering both the older and new commercial electronic databases of Lexis and Westlaw; on to the chapters covering the numerous secondary “explanatory” sources and the precedential primary authority sources (decisional, constitutional, and statutory) and citators; and concluding with the much-needed and long-overdue chapter on the legislative process and legislative history research. Interspersed within each chapter are visually arresting explanatory figures, tables, and examples that will readily assist the researcher in any given project.

Co-authors Debora A. Person, administrative law librarian, and Tawnya K. Plumb, electronic services law librarian, both of whom teach legal research to first-year law students, are eminently qualified to provide this valuable instructional resource. Each has authored helpful articles and delivered interesting presentations in the legal research field that are available online in

their respective faculty profiles on the University of Wyoming College of Law web site. I commend those materials to all.

With this publication the authors have made a valuable and lasting contribution to the continuing study and development of Wyoming law. I congratulate them on a labor well done.

Preface and Acknowledgments to the Second Edition

The intent of this book is to instruct in Wyoming legal resources. The book covers the initial stages of research, such as setting up the issue and approaching the variety of materials that are available. It would be appropriate for law students at an introductory level, paralegal students, and members of the general public seeking to investigate their own legal problems. At the same time, the book will benefit experienced legal practitioners because it incorporates search techniques in the major legal databases, discusses free internet sources, and explains how to access lesser-used tools in the research process.

In Wyoming, the lack of certain expected tools can be frustrating for legal professionals. There is no state encyclopedia or form book. There are only limited state-specific treatises. As a low-population state, Wyoming's case law is not extensive, and researchers from out of state have expressed surprise at the brevity of the state statutes. Our response is usually an attempt to emphasize the benefit of working in a legal system where attorneys have so much opportunity to affect the state's law. Still, in instances such as these, it serves researchers well to know what does not exist so that they can focus their attention on what is available. We hope this information is an added value of this text.

We have collaborated on a number of publications over the years, and we feel especially lucky to have an excellent working relationship. It was a great pleasure, then, to realize a similar rapport in working with the series' editor, Suzanne Rowe. Her direction, suggestions, editing, and support throughout the process were extremely important to the finished product and very appreciated by the authors. We acknowledge her further substantive contribution in providing us with the text of the legal citation appendix from her book, *Oregon Legal Research*, 3d edition. We would also like to recognize our

student research assistant, Leora Hoshall, for her extensive work on the first edition. These contributions significantly improved the final work.

We extend our thanks to the University of Wyoming College of Law and the George W. Hopper Law Library for support of our project. Finally, we thank our families for their encouragement and patience.

Deb Person
Tawnya Plumb
