Acknowledgments

The authors wish to express their appreciation for the extraordinary research assistance of Santa Clara Law student Anya Thepot throughout the writing of this book. In the later stages of our work, Santa Clara Law students Laura Davis and Lindsay Hover also rendered excellent assistance. We are grateful as well for the generous and enthusiastic support of our colleagues David Yosifon, Deborah Moss-West, and Hana Callaghan.

We also thank the talented Santa Clara staff members who helped us in many ways: David Holt, Hope Kusy, Michael Morales, and Michelle Waters.

At LexisNexis, our appreciation goes to Galen Clayton, Claudia Gurevich, and — with the original idea for this project — Mark Wasserman.

Last but not least, for allowing our use of the filmed interviews with Justice John Paul Stevens, we thank Siskel/Jacobs Productions, Ken Pisani, and, most especially, Justice Stevens himself.
